**ORDER APPROVING
SEVENTH SET OF AMENDMENTS TO THE INTERCONNECTION AGREEMENT**

This matter came before Chairman Pat Miller, Director Sara Kyle and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on December 13, 2004, to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the seventh set of amendments to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and NewSouth Communications Corp.

The original interconnection agreement and first set of amendments between these parties were filed on August 1, 2001, and were assigned Docket No. 01-00680. They were approved at a regularly scheduled Authority Conference on October 9, 2001. The second amendment was filed on December 11, 2001, under Docket No. 01-01100 and was approved at a regularly scheduled Authority Conference on February 5, 2002. The third amendment was filed on September 16, 2002, under Docket No. 02-01014 and was approved at a regularly scheduled Authority Conference on October 21, 2002. The fourth set of amendments was filed on

February 4, 2003, under Docket No. 03-00085 and was approved at a regularly scheduled Authority Conference on March 17, 2003. The fifth amendment was filed on April 10, 2003, under Docket No. 03-00272 and was approved at a regularly scheduled Authority Conference on June 2, 2003.¹ The sixth amendment was filed on January 7, 2004, under Docket No. 04-00004 and was approved at a regularly scheduled Authority Conference on March 22, 2004. The seventh set of amendments, which is the subject of this docket, was filed on October 12, 2004.

Based upon a review of the seventh set of amendments, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).
- 2) The amendments are in the public interest as they provide consumers with alternative sources of telecommunications services within the BellSouth Telecommunications, Inc. service area.
- 3) The amendments are not discriminatory to telecommunications service providers that are not parties thereto.
- 4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).² Thus, although the Authority finds that neither ground for rejection

¹ See Docket No. 03-00272, *Amended Order Approving Fifth Amendment to Interconnection Agreement* (March 24, 2004)

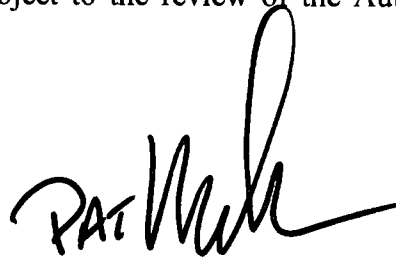

² See 47 U.S.C. § 252(e)(2)(B).

of a negotiated agreement exists, this finding should not be construed to mean that the amendments are consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

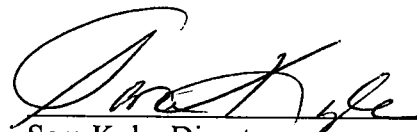

- 5) No person or entity has sought to intervene in this docket.
- 6) The amendments are reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104 (2004).

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the seventh set of amendments to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and NewSouth Communications Corp. is approved and is subject to the review of the Authority as provided herein.

Sara Kyle, Director

Ron Jones, Director
